RHYTHMIC BRITISH CHAMPIONSHIPS IN JULY

On Thursday 25th July Atanaska and her coach Hannah V travelled to Liverpool for the Rhythmic British Championships which was held in the M&S Bank Arena.

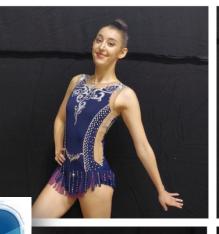

Thursday was podium training for Atanaska, which is where she gets an allotted time to practice her routines on the competition floor and it also gave her the opportunity to get a feel for the venue and what was to come during the competitions on Friday and Saturday. Podium training went well, and we were ready for Day 1 of the British Championships.

Friday 26th July was Day 1 of the Rhythmic British Championships. Atanaska competed with her Hoop and Ball on this day. Her Ball routine was clean with nice elements and expression, she made a small mistake in her hoop routine but overall this was a lovely routine to watch and Atie's body skills were good. Hannah V her coach was pleased with her routines and was looking forward to seeing what day 2 would bring.

Saturday 27th July and Day 2 of the Rhythmic British Championships. Atanaska competed with her Clubs and Ribbon on this day. In both routines Atanaksa had a couple of hiccups with her throws, however, her body skills were nice and clean. Atanaska competed against 6 other gymnasts who are all in the GB, England or Welsh National Squads. As there was only 7 in the Senior category it meant the top 6 went through to finals on the Sunday meaning Atanaska narrowly missed out.

We would like to say a massive Well Done to Atanaska as she moved up to the Senior Category at the beginning of the year and has done herself and the club proud by qualifying for this event which becomes increasingly difficult each year to qualify for so is a massive achievement to be proud of. We hope you enjoyed watching her routines live and if you missed any you can watch them via the British Gymnastics Score App.

WORLD GYMNAESTRADA 2019 – WHAT A TRIP!

The 16th World Gymnaestrada was held in the city of Dornbirn, Austria on 7th -13th July 2019.

It was open to all current British Gymnastics Clubs to enter to audition to be selected to represent Great Britain.

Gymnaestrada is a world-wide, non-competitive FIG Gymnastics for All event held every 4 years across the awarded city. It is the world's largest Gymnastics event with over 25,000 participants from around 60 nations taking part. The event is open to all and a fantastic opportunity for all levels, ages and abilities.

The non-competitive festival takes place over 7 days, with a jampacked schedule, including an Opening and Closing Ceremony, Team Performances, Great British whole delegation large group performances as well as an International Team performance. Teams can perform up to 5 times throughout the week, as well as, having the chance to see performances from other federations in their national evenings and the best of the best in the FIG Gala.

EVGC took over 15 talented girls who had been involved in display gymnastics for over 2 years before auditioning for selection. Before taking part on a World Stage the girls had performed at local, regional and national stages to get the chance to take part in the large Gymnaestrada event.

Georgia, Ava, Amelia, Charlotte, Annie, Jessica, Phoebe, Daisy, Emily, Emily, Shaun, Neve, Erin, Hollie and Katie and their Coaches Megan and Hannah wanted to share with you all this record of their adventures in Austria.

Take Off Day

On Saturday 6th July the team had to be at Birmingham airport for an extremely early 4 am to get checked in and prepare for their flight to Munich airport. 15 gymnasts and 2 adults checked in and navigated through security to meet our first challenge of trying to find 17 seats together to eat breakfast, not easy at an international airport!

Our flight to Munich was great, and an excited team landed safely at 9:45 am. The event volunteers finally found the bus after a lovely 30-minute trek around Munich Airport with all our bags and girls in tow we were finally safely on our way leaving Germany to travel to Mittleschule, Lauterach in Austria which was to be our home for the next 8 days.

All Settled In

Sunday 7th July, we spent our first night in Austria on our lovely single airbeds at the school, the girls were in great spirits and all supported each other to get ready for our first day.

It was to be the Opening Ceremony day, but the weather was not on our side. We were up at 8 am, down to breakfast and then on our first train ride by 10 am. The girls were all kitted up in their GB tops ready to see Dornbirn and take part with the other 25,000 gymnasts! First stop of the day was the Karren Cable Car taking us up to the top of the mountain to get a great view of Dornbirn. All of the girls had a great time going up in the cable car and standing on the glass ledge to see the view. All that is except Ava. Ava is terrified of heights but faced her fear and joined us on the cable car but steering clear of the glass ledge. Well done Ava for facing your fears!!

When we returned to Earth in Dornbirn sadly the news was that the open ceremony was postponed due to bad weather.

Cancelled Opening Ceremony

We had a big thunder storm in the afternoon and were advised to go back to our accommodation to take shelter, this did not dampen the girls' spirits. As soon as we got back to the school the team asked if we could book hall for time to practice the routines ready for the week ahead, this is dedication and why we knew we had picked the right team!

Performance, Performance!

The next 5 days where jam packed with performances, we had 3 performance slots each day and all in different towns or venues. Bregenz was the first town visited with our first Great British performance and team performance. The Great Britain routine was like a military operation getting 600 gymnasts on to the field and off again. All the gymnasts did an amazing job and made Great Britain proud. We took three under 12s; Katie, Hollie and Erin who really showed everyone that gymnastics was for ALL no matter your age.

'Relax you're on Holiday'

After many late nights, early mornings and busy days we had a morning break on 9th July, so we went to the local 'Strandbad' which was an outdoor pool on the edge of Lake Constance. The girls had a great time on the slides, diving boards and swimming in the lake. A refreshing break before we were back to it that afternoon, off to Lustenau for a town performance then Rankweil for the GB and AUS evening celebrations.

Whilst travelling around and performing in lots of different places the girls met many different people from all over the World, Thailand, Australia, Germany, Tonga, America and many more. It was a cultural experience for all the girls not just living and eating in Austria but meeting all the gymnasts from so many countries. Austrians are very good at English, but the girls also made sure they tried some German too, so they could learn, we were very thankful for Annie who was very good at German when we did get stuck

Midweek Opening Ceremony

Due to the bad weather earlier in the week the Opening Ceremony was moved to half way through the week. This was an amazing experience for the girls seeing all the countries come together and to march in to the stadium with 25,000 other gymnasts. It was the first time the girls got to see everyone altogether and it was the first time felt like they were part of something really BIG!

Finally!

Overall the 8 days were an amazing experience for all the girls and us their coaches, they learnt so much about other cultures, different types of gymnastics and the benefits of supporting others. The girls made EVGC proud but also represented the country with pride.

The Next Chapter

Since getting back to the gym, the girls have started working on new routines and new skills and are getting ready for their next international experience!.......
